October 26, 2010

Dear Mr. President:

We are writing to you today to express our extreme concern regarding the deteriorating security situation

Protecting our borders and our citizens is a paramount responsibility of the Federal government; enshrined in our

First, it has become apparent that the Mexican government and law enforcement authorities are either unwilling or

Second, we must complete construction of the border fence. Any responsibility we have to minimize the threat

Finally, we believe it is critical that we deploy additional National Guard troops to the border. Media reports

Mr. President, we implore you to view this situation for what it is, a war and to act accordingly.

Sincerely,
